**ABOUT PALADIN COMICS**

Paladin Comics is an Internet based pre-order service offering monthly, quarterly, bi-annual and annual subscriptions to one or more titles. We also offer archival supplies and recent back issues. We do not have a physical shop and are exclusively mail order.

**ABOUT THIS CATALOGUE**

This catalogue is based on the items offered via the Diamond Comics Previews catalogue and lists items scheduled to commence shipping in approximately two months time. The prices listed are in Australian dollars and are GST inclusive.

The information contained within is accurate at the time of printing but is subject to change as publishers and or distributors alter publication dates, content of their respective publications, cancel titles and or merchandise. Paladin Comics is not responsible for any delays, cancellations, typographical errors or changes in price caused by publishers or distributors.

**PREVIEWS**

Previews is a 400 page plus catalogue distributed and published monthly by Diamond Publications, and is the primary source used by retailers and collectors for pre-ordering comics and related merchandise. The Previews catalogue lists full descriptions and colour images of over 2000 + items each month. Whilst this catalogue is a self-contained ordering tool, we advise that it is best used in conjunction with the current Previews Catalogue.

We strongly recommend that you subscribe to the Previews catalogue for a full description of all items listed.

**THINGS YOU SHOULD KNOW, UNDERSTAND, AND AGREE TO**

- 1. Due to the instability of the Australian dollar, all prices and discounts are subject to review. Consequently the final price of any individual item may vary (greater or lesser) than the price quoted within this catalogue. At all times, we will endeavor to pass on all possible savings.**
2. With the exception of local release items, orders are solicited two to three months in advance, the scheduled release date can therefore be either two or three months from the date of this catalogue. Please note that many merchandise items may ship well beyond the three-month deadline.
3. As some publishers inevitably ship late, cancel items or re-solicit items for whatever reason, your order may not completely fill by month's end. Consequently, you may begin to receive items from your second or third order before your first order is completed.
4. In the event an item is cancelled or re-solicited then notification of the cancelled item will be shown on your next packing slip. If you have marked this title as subscription then we will automatically re-order this title for you and a reference to this re-order will be shown in your current subscription list (Res). **If you have not marked this as a subscription item then no re-order will be placed.**
5. When ordering via our website you need submit your credit card details only on your first order. Your credit card details will be retained offline (please note that for security reasons no credit card details are stored on our web site) and any subsequent orders will be billed against the details we have on file. When you submit any subsequent orders simply select the details on file option at checkout. In this manner, there is no requirement for you to submit your credit card details again.
6. If you are placing orders via Australia Post or by fax, you need only complete the authority form when you place your initial order.

**There is no requirement for you to submit your credit card details with any subsequent orders, as we will have your details on file.**

7. **Orders must reach us by the due date. Orders received after the due date are deemed to be late orders and may at the discretion of Paladin Comics incur a late service charge equal to 5% of the retail value of the order.**
8. Items ordered from the Paladin Comics Advance Mail Order Catalogue viz. the Diamond Previews catalogue are deemed to be firm orders consequently no item can be cancelled or altered once the due date has passed. All products purchased are done so on a strictly non-returnable basis. All products are guaranteed to ship in as new condition.
9. **Any item ordered from a previous catalogue is deemed to be a reorder and not eligible for any discount.**
10. We do not accept telephone orders, as this leaves neither of us with a written record of your order. If you are running late then we suggest that you either submit your order via the paladin comics' website or fax your order to us using the short order form contained in this catalogue.
11. Our Postal address is
